

NAIFA-Arizona is supporting a program initiated by Men's Warehouse in the collection of gently used or new men's suits – to help men in our community in need.

Can you help us?

Do you, your friends, your colleagues have suits you wish to donate? What better time, than Spring, to go through your closet or invite others to do so!

We will be collecting suits throughout the Summer.

If you have suits to be donated, we will pick them up or provide you with an address for delivery – simply let us know by sending an e-mail to **naifa-az@azis.com**.

We are proud to join in this community service project and we hope you will be generous in your support. We thank you in advance...
